1   I, ██████████████ hereby declare as follows:

2   The details in the Uniloc document disclose ████████████████ name, the

3 date of its license agreement with Uniloc and the amount paid. Under the terms of the

4 license agreement, ████████████████ and Uniloc agreed that all material terms of the

5 agreement would be kept confidential. Disclosing this financial and business information

6 would cause ████████ competitive harm and introduce risk relating to the security of our

7 software products. For example, disclosure of the amount paid would create difficulties for

8 ██████████████████ in future license negotiations with third parties. Disclosure of ████

9 ██████████████ name as a Uniloc licensee would indicate to other persons or entities

10 that ████████████████ internal intellectual property protection schemes use

11 published, Uniloc related technology, designs or algorithms thereby making the

12 unauthorized decoding, reverse engineering or hacking of ████████████████

13 protection schemes more vulnerable.

14

15   I declare under penalty of perjury under the laws of the United States that the

16 foregoing is true and correct.
