Re: California Public Records Act Request

Dear Ms. Lipton:

This letter is in response to your Public Records Act request. This letter constitutes a written response pursuant to Government Code Section 7922.540(a) and is based upon the authorities interpreting the California Public Records Act ("CPRA") and Article I, Section 3 of the California Constitution.

Please be advised that the County objects to your request on the following grounds:

- 1. The request calls for documents which would violate an individual's right to privacy under the California Constitution, Article I, Section I;
- 2. The request seeks information and documents which are exempt pursuant to Government Code Section 7929.210(a) pertaining to information security records;
- 3. The request seeks information and documents which are exempt pursuant to Government Code Section 7923.600(a) pertaining to records of investigations conducted by any state or local police agency, and where disclosure would endanger the successful completion of the investigation;
- 4. The request seeks summary criminal history, which is exempt pursuant to Penal Code Sections 11140(b), 11141, 11142, 13301(b), 13302, 13303;

 The records requested include official information, which is exempt from disclosure pursuant to Evidence Code Section 1040(b)(2), Evidence Code Section 1041(a)(2) and (b)(2) which are incorporated into the CPRA through Government Code Section 7927.705.

Without waiving the above objections and exemptions, redacted documents are attached. A portion of these redactions are based on a claim of trade secrets brought by Pen-Link Ltd. Pen-Link has notified the undersigned that it intends to file pleadings with the Superior Court for a protective order related to the release of the redacted information. Upon determination of the courts, a further response will be provided to indicate whether unredacted documents will ultimately be produced.

The County does not waive any privileges, protections or objections which might be available in any future litigation, and without waiving any additional privileges, protections or exemptions available under the CPRA.

Should you have any questions, or should you require any additional information, please do not hesitate to contact the undersigned.

Very truly yours,

Rachael Allgaier Deputy County Counsel
