This is a follow-up from my voice mail message earlier today. I am an attorney in the FBI Office of the General Counsel and have been assigned to write an IOB opinion relating to the IOB matter that you submitted to our office. The IOB matter involves excess information that was obtained in response to an NSL that was served out of your office. My initial impression is that, although you were required to report the incident to OGC, it does not appear that it will be reportable to the IOB. However, after I draft the opinion, it must be reviewed by my Unit Chief and the Deputy General Counsel so this could change. I also need to see a copy of the NSL that you served. Could you please send a copy of the NSL to our office? My secure fax number is (202) 324-[REDACTED]
