NARRATIVE: On 01/27/2008, at approximately 1300 hours, Sgt. YAO # 28, Sgt. ALBERTS # 22, Officers OLIVET # 40, MANCHESTER # 98, REICH # 83, Detectives COLLOM # 45, KASISKE # 35 and I were assigned to a detail to monitor an animal rights Demonstration.

UCPD previously received information indicating a group of animal rights demonstrators would meet at the Ashby BART station in Berkeley at either 1200 or 1300 hours on Sunday, 01/27/2008. The group is demonstrating against vivisection and animal testing conducted by the University of California. Based on prior incidents, it was believed that the group would get into one or more vehicles and proceed to multiple locations believed to be the private residences of UC employees.

We arrived at the Ashby BART Station just before 1200 hours, on 01/27/2008. At approximately 1315 hours we recognized some of the subjects identified from previous animal rights protests as Redacted - Private Info
Redacted - Private Info

They gathered on west side of the BART station. They were later joined by other people until the group totaled nine people. A total of 11 people joined the demonstration throughout the day. They included Redacted - Private Info
Redacted - Private Info

There were three other subjects that joined the demonstrations that day that we were unable to identify. One of them was described as a White male with blond hair, wearing a black sweat shirt and a gray bandana. Another was described as a White female with blond hair, wearing glasses and a blue jacket. The third person was described as a White female with blond hair, wearing a blue jacket, rolled up blue jeans and sneakers. Sgt. ALBERTS contacted the group, advising them we would be monitoring them and asked where they were going. The group would not give Sgt. ALBERTS any information.

The group went to the east parking lot of the BART Station and got into two vehicles. The first vehicle was a Redacted - Private Info
Redacted - The other car was a Redacted - Private Info

UCPD units followed the vehicles on city streets and the freeway (Highway 80). Both drivers obeyed most traffic laws, but drove tactically to make it difficult for us to follow them. They would signal to exit, change lanes and at the last second, they would change lanes back on the freeway. They would also turn corners waiting for cross traffic to come so that officers would have to wait for the cross traffic to pass before they could turn.

10. NARRATIVE

UCPD units followed the protesters to several residences. At each of the residences, the protesters marched and chanted on the public sidewalks in front of the residence. The group made efforts to avoid being video taped by hiding behind their signs, turning away from us and pulling their handkerchiefs up to mask their faces. At some locations, the protesters chalked anti- vivisection slogans on the public side walk. At several of the locations, neighbors approached UCPD officers and complained about the protesters disturbing the peace. The complaining parties were advised as to the protesters right to free speech as long as they obeyed all applicable laws. UCPD officers video taped the protester's activities at each of the locations. BPD Officer S. O'DONNELL met UCPD at the Ashby BART STATION and went with us to most of the residences. We followed the demonstrators to the following locations:

The demonstrators first went to Redacted - Private Info at approximately 1349 hours. Further investigation revealed this is the residence of Redacted - Private Info. The residents were not home at the time and are scheduled to comeback from vacation during the week of February 4, 2008. This demonstration ended at approximately 1357 hours.

BPD Officer O'DONNELL took a collision report and identified several of the protesters who witnessed the accident (BPD Case Number Redacted). This demonstration ended at approximately 1454 hours.

At approximately, 1530 hours, one of the demonstrator's vehicles Redacted - Private drove to the Ashby BART Station and picked up two more subjects. One of the subjects was later identified as Redacted - Private.

The other subject was an unidentified White female adult, with short brown hair, wearing dark clothing.

At approximately 1552 hours, the demonstrators arrived at Redacted - Private Info. This is the residence of Redacted - Private Info. We contacted Redacted - Private Info via phone, prior to arriving at the scene to advise him that the protesters were coming into the area of his residence.
