FOIPA No. 1083022- 000

Dear Ms. Hofmann:

The enclosed documents were reviewed under the Freedom of Information/Privacy Acts (FOIPA), Title 5, United States Code, Section 552/552a. Deletions have been made to protect information which is exempt from disclosure, with the appropriate exemptions noted on the page next to the excision. In addition, a deleted page information sheet was inserted in the file to indicate where pages were withheld entirely. The exemptions used to withhold information are marked below and explained on the enclosed Form OPCA-16a:

Table with 3 columns: Section 552, Section 552a, and checkboxes for exemptions (b)(1)-(6), (b)(7)(A)-(F), (b)(8)-(9), and (d)(5), (j)(2), (k)(1)-(7).

6278 page(s) were reviewed and 1104 page(s) are being released.

- Document(s) were located which originated with, or contained information concerning other Government agency(ies) [OGA]. This information has been:
referred to the OGA for review and direct response to you.
referred to the OGA for consultation. The FBI will correspond with you regarding this information when the consultation is finished.

You have the right to appeal any denials in this release. Appeals should be directed in writing to the Director, Office of Information Policy, U.S. Department of Justice, 1425 New York Ave., NW, Suite 11050, Washington, D.C. 20530-0001. Your appeal must be received by OIP within sixty (60) days from the date of this letter in order to be considered timely. The envelope and the letter should be clearly marked "Freedom of Information Appeal." Please cite the FOIPA Number assigned to your request so that it may be easily identified.

The enclosed material is from the main investigative file(s) in which the subject(s) of your request was the focus of the investigation. Our search located additional references, in files relating to other

individuals, or matters, which may or may not be about your subject(s). Our experience has shown, when ident, references usually contain information similar to the information processed in the main file(s). Because of our significant backlog, we have given priority to processing only the main investigative file(s). If you want the references, you must submit a separate request for them in writing, and they will be reviewed at a later date, as time and resources permit.

See additional information which follows.

The enclosed documents comprise the initial interim release of information responsive to your Freedom of Information Act (FOIA) request.

Sincerely yours,

A handwritten signature in black ink, appearing to read "D Hardy", with a stylized flourish at the end.

RECORD [Redacted]

Everyone,

(S)

First, I want to thank everyone that made the effort and came to the [Redacted] meeting last Friday here at ERF, [Redacted] I believe alot of good things came out of the meeting, not the least of which is the imparted sense of urgency that was noted by all parties in addressing identified issues.

Second, I have decided (with the concurrence of my Unit Chief) to author this e-mail in lieu of an EC to capture the issues and follow-up dates. This was done for several reasons, the principal one being the delivery of the issues in a written format for timely consideration. Upon review of the list of participants, and in determining the number of informational and action leads that would needed to have been set and then responded to, I believe it would have been counterproductive to produce anything other than this enterprise e-mail. I have included three case numbers in the record portion of this document for uploading purposes. If you are the case owner, please forward this communication to your appropriate file.

Noted issues:

This e-mail does not reflect discussions on internal [redacted] issues. These issues are left to the discretion of the [redacted] ASAC's and management in attendance for addressing.

It should be noted that OTD is limited by current operating procedures and practices to work with, through or in conjunction with the Technical Operations elements in each field office. For logistical and informational purposes, we will keep [redacted] [redacted] for support provided by the OTD to the Field Office.

I will follow-up with concerned /interested parties as impending dates approach for statuses. I will advise concerned stakeholders as to developments and progresses as they become available. If there are any concerns (current or future) please don't hesitate to contact me.

I hope this coordination effort is of benefit. It is not the intent of either myself or TOCU to dictate deadlines or responsibilities, just suggest to affected groups for a more timely effort in addressing relevant issues. Thanks for the opportunity.
