Plaintiffs filed a partial motion for summary judgment on July 9, 2009. See Dkt.
 99.

4. Counsel for the Government Defendants has conferred with counsel for plaintiffs and
sought agreement on a short two-week extension of the briefing schedule and a modification of
the hearing date due to the press of business and other scheduling conflicts arising after the
plaintiffs filed their motion.<sup>1</sup> To facilitate this agreement, counsel for Government Defendants
advised plaintiffs' counsel that the Government does not presently anticipate submitting
classified information in support of the Government's position in response to plaintiffs' motion
or with any cross motion.

16 5. No prior modifications of the briefing schedule or hearing with regard to
17 plaintiffs' instant motion for partial summary judgment have been sought or entered. L.R.
18 6-2(a)(2).

6. The requested time modification would adjust the time for the Government's response (or any cross motion), Plaintiffs' reply (or any opposition), and the hearing date, but would have no other impact on the schedule in this case. L.R. 6-2(a)(3).

7. The parties request that the Court change the hearing date on the matter from

<sup>1</sup> Counsel for the Government advised plaintiffs that the Government's response time was impacted by the need for Government counsel to present oral argument in two matters on July 15, 2009 (before this Court in the *Jewel* action) and July 22, 2009 (in another action), as well as other business and personal commitments.
