No. C-06-0672-VRW

**DECLARATION OF BRUCE A.
 ERICSON IN SUPPORT OF
 MOTION OF DEFENDANT AT&T
 CORP. TO FILE DOCUMENTS
 UNDER SEAL**

[Civ. L.R. 7-11, 79-5]

Courtroom: 6, 17th Floor
 Judge: Hon. Vaughn R. Walker

Filed concurrently:
 1. Motion to File Documents Under Seal
 2. Proposed Order

1 I, **BRUCE A. ERICSON**, declare as follows:

2 1. I am an attorney licensed to practice law in the State of California and
3 admitted to practice before this Court, and am a partner of the law firm of Pillsbury
4 Winthrop Shaw Pittman LLP, counsel for movant/defendant **AT&T CORP.** (“AT&T”) and
5 also for specially appearing defendant **AT&T INC.**, which is not a party to this motion
6 (AT&T and AT&T Inc. are collectively referred to as the “defendants”). Except for those
7 matters stated on information and belief, which I believe to be true, I have personal
8 knowledge of the facts stated herein and, if called as a witness, I could and would
9 competently testify thereto.

10 2. The Motion of Defendant AT&T Corp. to Compel Return of Confidential
11 Documents; Supporting Memorandum (the “Confidential Motion”) and the Declaration of
12 James W. Russell in Support of Motion of Defendant AT&T Corp. to Compel Return of
13 Confidential Documents (the “Confidential Russell Declaration”) contain detailed
14 discussion of certain confidential documents (the “Confidential Documents”) of which
15 AT&T seeks return.

16 3. The Confidential Documents contain detailed non-public information about
17 critical communications infrastructure operated by AT&T.

18 4. I am informed and believe that AT&T considers the information in the
19 Confidential Documents highly confidential and proprietary, and such information has
20 value generally unknown to the public or AT&T’s competitors.

21 5. I am informed and believe that AT&T is careful to preserve the
22 confidentiality of information contained in the Confidential Documents, and public
23 disclosure of the information contained in the Confidential Documents could create great
24 risk to AT&T’s ability to provide services and carry out its business activities. Exposure to
25 the threats that would arise from disclosure of the Confidential Documents would harm
26 AT&T and its customers, which include businesses, federal, state and local government,
27 and private individuals.

28

1 6. The Confidential Motion and the Confidential Russell Declaration describe
2 the contents of the Confidential Documents in great detail. Putting them into the public
3 record of this Court would injure AT&T in the same way as making the Confidential
4 Documents themselves public.

5 I declare under penalty of perjury under the laws of the State of California and the
6 United States that the foregoing is true and correct.

7 Executed this 10th day of April, 2006, at San Francisco, California.
