Inspector General 703-874-2555

30 April 2008

Ms. Stefanie R. Osburn
Executive Director
President's Intelligence Advisory
Board
New Executive Office Building
Washington, D.C. 20503

Dear Ms. Osburn:

This report covers the period from 1 January - 31 March 2008 and is submitted pursuant to direction dated 14 June 2007 from the Director of National Intelligence and the Chairman of the Intelligence Oversight Board (IOB) and paragraph 3(b) of TAB A thereto, entitled Revised TOB Reporting Requirements. In that regard, it is requested that the IOB clarify future reporting requirements given that the new reporting requirements contained in Executive Order 13462 do not provide for reporting by Inspectors General or General Counsels, unlike Executive Order 12863.

During this reporting period, the Central Intelligence Agency (CIA) Office of Inspector General (OIG) learned of no CIA intelligence activities that were potentially unlawful or contrary to executive orders or Presidential directives. This report does not incorporate reports filed with the Attorney General, or his designee, by CIA components other than OIG.

The Office of General Counsel also has an obligation to refer criminal matters to the Department of Justice (DoJ) in compliance with 28 U.S.C. §535 and Executive Order 12333. Absent investigation by OIG, such referrals are not normally included in OIG's quarterly IOB reports. There may be other situations triggering IOB reporting requirements, which could include direct criminal referrals to DoJ by CIA components, such as the National Clandestine Service or the Center, of which OIG has no knowledge.

DATE: 25-Feb-2010

UNCLASSIFIED/

Ms. Stefanie R. Osburn

OIG did file nine reports with the Attorney General or his designee pursuant to the Memorandum of Understanding on Reporting of Information Concerning Federal Crimes, none of which directly involved illegal intelligence activities. Given the lack of reportable incidents, an IOB Summary Sheet has not been provided.

Sincerely.

Of John L. Helgerson
